## November 2021 Edition

**HAPPY THANKSGIVING!** We pray that you and your family will have the opportunity to come together this year and celebrate the many blessings you have received from God. Know that our SND Vocation/Young Adult Ministry Team thanks our Good God for each of you and asks God to bless you abundantly.

**ADVENT** - At the end of this month we begin the beautiful season of Advent, that time of year to step back and wait in patient hope and joy for the coming of our Savior. Some choose to celebrate with an Advent wreath that marks the four weeks of Advent. Others make use of the Jesse Tree and recall persons from the Hebrew Scriptures who led the way to Christ's coming. Still others use an Advent calendar with Scripture verses or treats to mark the coming of the Christ Child. Whatever way/s you choose to celebrate, we pray that your hearts will be open to receive all the love God desires to share with you.

*O Come. O Come, Emmanuel!*

### Prayer

Good and loving God, thank you for your bounteous gifts of this day and this season! May our eyes be open to take in the miracles of your grace that surround us and strengthen us each day. Bless all of those that we love and hold dear to our hearts. May we see your goodness revealed in each person we encounter.
