

## June 2022 Edition

Having celebrated Easter and Pentecost, we have a sense of Jesus doing something new. Having experienced the emergence of Spring and ready to step into Summer, a sense of newness is all around us. The joy of soaking up the sunshine and allowing ourselves to relax a bit can help us be attentive to what Jesus is doing in our lives in ways only he can explain. May you know his presence more fully in your life. May all that you are and do be an act of praise to God! Blessing

## Prayer

### The Slow Work of God

Above all, trust in the slow work of God.  
We are quite naturally impatient in everything  
to reach the end without delay.  
We would like to skip the intermediate stages;  
we are impatient of being on the way to something unknown,  
something new . . . and so  
I think it is with you,  
your ideas mature gradually -- let them grow,  
let them shape themselves without undue haste.  
Don't try to force them on . . .  
Only God could say what this new spirit gradually  
forming within you will be.  
Give our Lord the Benefit of believing  
that his hand is leading you,  
and accept the anxiety of feeling yourself  
in suspense and incomplete.
