

August 2022 Edition

As we enter this month of August, we are inundated in the news with images of fires and floods across the country. We hear the impacted people speak of all that they have lost and grateful to be alive through it all. We also want to keep in mind God's goodness and loving presence as we reach out in compassion and service. We hope you consider ways that you can be that loving and caring presence of God for those who are suffering.

Prayer

May the peace of God settle your thoughts.
May the love of God comfort your heart.
May the wisdom of God enlighten your mind
May the world of God illuminate your path.
May the grace of God carry your load.
May the kindness of God Brighten your eyes.
And may the presence of God fill every hour.
Amen.

Gospel Reflection

Sister Marilyn Marie Ellerbrock, SND has written some meaningful reflections about some of the persons Jesus encountered. This month we want to share one with you on Peter from his point of view. Click on the link below.

Spiritual Direction

Spiritual direction is a good way to deepen one's relationship with God, come to understand how God is working in one's life, and listen for the ever new call of God to follow in the footsteps of Jesus. Any of our team members would be happy to walk with you on your journey into the heart of God. Click the link below to make your request.
